Travel Talks

The longstanding and popular *Travel Talks* programme takes place on Friday mornings from end September to May. It is open to anyone with an interest the world we live in who wants to learn more about it by sharing the experiences of another traveller - the speaker. The talks are relaxed and informal but we aim for a high professional standard.

The *Talks* are ideal for anyone wishing to continue learning without pressure of exams or written work; for carers who need a complete break with something interesting but not too demanding to do; for retired people who wish to meet new people and share their interest in travel.

The group is supportive and friendly and everyone is welcome.

By attending the *Travel Talks* you will experience places you might not be able to visit for yourself, learn about other

peoples' cultures and ways of life and gain an insight into how people spend their leisure time and working lives.

Trips out are organised in the summer term!

Thank you for your interest!
